OZNA ARRESTS POLITICAL CFFENDERS

The CKMA (secret police) has arrested Anton Krapez, a priest in Biljana v Brdih, for undisclosed reasons, and four citizens of Kojaka v Brdin for sabotage of the Five-Year Plan. M-dana the Titoist authorities called in several citizens who a short time ago publicly criticized the Communist regime before the whole village amid unanimous applause. By now they must have "confessed their arrors" and signed a pledge never to commit them again.

In Kozbani v Brdih in Goriska, the OZEA seized and imprisoned 18 inhabitants who resisted Tito's police.
